

ANSWERS TO QUESTIONS POSED ON  
THE TENDER FOR THE SUPPLY, INSTALLATION,  
MAINTENANCE AND PROVISIONING OF PUBLIC WIRELESS (WiFi)  
BROADBAND ACCESS SERVICES IN SELECTED KLANG VALLEY LIBRARIES

---

- i) Clause 5.12 of the Tender document states that the Internet access should be dedicated to the WiFi network and therefore cannot be shared with the existing Internet access (if any) in the libraries concerned. Furthermore, the clause also clearly states that the subscription shall be registered in the name of the Tenderer. The Tenderer should endeavour to obtain approval from the service providers to register the services in Tenderers' names, as this is a special arrangement.
- ii) SKMM has already informed all the libraries involved about this exercise. Since the Petaling Jaya library is under the purview of the Majlis Bandaraya Petaling Jaya, any inquiries on the site survey should be made through Majlis Bandaraya Petaling Jaya's Information System's department. The name and details of the relevant officer has been outlined in Appendix E of the Tender document. Should they have difficulties contacting the MBPJ officer, they can also refer to Pn Ainul Farhiah Abdul Wahab of the Petaling Jaya Community Library, at tel : 7781 2775/7781 2790.
