

SURUHANJAYA KOMUNIKASI DAN MULTIMEDIA MALAYSIA
MALAYSIAN COMMUNICATIONS AND MULTIMEDIA COMMISSION

NOTICE OF REQUEST AND INVITATION TO PUBLIC FOR FEEDBACK

REQUEST TO REGISTER THE DOMAIN NAMES www.bible.net.my,
www.injil.org.my AND www.gospel.org.my

SKMM as the communications and multimedia sector regulator is vested with the control, planning, administration, management and assignment of electronic addressing (domain names). A domain name locates an organization or other entity on the Internet for example skmm.gov.my is SKMM's domain name. SKMM has appointed MYNIC Berhad to function as the Registrar for registering **.my** domain names for Malaysia.

An application has been made to MYNIC Berhad by a non profit organization (the applicant) to register the following domain names under their company:-

- (a) bible.net.my;
- (b) injil.org.my and
- (c) gospel.org.my

The applicant's objective is to function as a non-political, biblical, ethical and moral research and educational centre. It aims to contribute to the spiritual, moral and ethical needs of members as responsible citizens in line with the goal of this country in creating a psychological liberated, secure and developed Malaysian society. It also intends to conduct and hold biblical/moral and spiritual research, education, trainings, seminars, conferences, consultations, translations, publications and development of biblical truths as revealed in the Holy Scriptures, though with due regard towards tolerance, harmony and consideration within a multi-racial society.

If the above domain names are registered, the websites would carry content that is consistent with the objective of the applicant as explained above.

SKMM would like to seek the views of the public on whether they have any objections to the registration of the above domain names by MYNIC Berhad.

Members of the public are invited to submit their comments either in hard copy or electronic form to the address below or via email to devi@cmc.gov.my before 12 noon 9 June 2008.
