

TENDER FOR THE DESIGN, INSTALLATION, TESTING, COMMISSIONING, DELIVERY AND MAINTENANCE OF THE MALAYSIAN ELECTRONIC PRODUCT CODE INFORMATION SYSTEM (MyEPCIS)

TENDER NO: SKMM/GAD(1)/MyEPCIS/TC-B/08/11(03)

Questions & Answers

Q1. Is the tender open to foreign companies? We have a foreign software partner who we have collaboration with-if possible, we prefer for them to participate directly in the above tender.

It is a requirement for all foreign based prospective tenderers to have a working arrangement with a Malaysian professional services counterpart for the tender. This arrangement should be clearly stated in the proposal by the Tenderer (Paragraph 10.1, page 12 in the tender document).

Q2. Section 2 : Scope of Work , paragraph 5.2, page 8 Mandatory Requirement, No. 1 : could you kindly guide me where can I find the EPCIS GS1 standards? All I can find is EPC Global.

The standards are available from EPC Global or GS1. It is an international standard. The tenderer is advised to go direct to GS1 direct and ask them. This is the best.
