

NOTICE

The Malaysian Communications and Multimedia Commission (MCMC) wishes to announce that the following Public Inquiry Paper is available for public viewing and comments on MCMC's website : <http://www.skmm.gov.my>

Proposal for the Determination of Mandatory Standards for Electromagnetic Field (EMF) Emission from Radiocommunications Infrastructure

The purpose of this paper is to obtain inputs from the industry and the public on the proposed imposition of mandatory standards for electromagnetic field (EMF) emission from radiocommunications infrastructure in Malaysia. The Commission is of the opinion that Malaysia needs to mandate a standard which is based on an internationally recognized standard for electromagnetic field (EMF) emission from radiocommunications infrastructure in addressing the public concern on the said emission.

Members of the industry and public are hereby invited to submit their comments in hard copy or electronic form to the address below or via e-mail to emfpi@cmc.gov.my before 12 noon, **15 November 2010**.
