

## NOTICE

### INTERNET DIAL-UP SURVEY 2012 (2)

The Malaysian Communications and Multimedia Commission (MCMC) will be conducting the **Internet Dial-up Survey 2012 (2)** to collect data on the use of Internet.

This is a part of MCMC research regarding the use of Internet in Malaysia. The findings of this survey are expected to help improve SKMM's Internet programs through a wider use of broadband.

The survey will be conducted entirely through phone and will begin on 5 January 2013 until 31 January 2013. Canvassing will begin from 9.00 am to 5.00 pm daily including Saturdays and Sundays except Federal Territory Kuala Lumpur/Selangor public holidays. Extension of survey period, if necessary, will be announced on the MCMC website.

Please be advised that no monies will be collected nor sales solicited. Respondents are randomly selected based on telephone numbers by a computer. Although participation is voluntary, full cooperation is sought from the public to provide the information requested. All information collected will be held in the strictest confidence and will be used only for the purpose of deriving statistics at national level.
