

10 August 2012

Dear Sir/Madam,

Greetings from SKMM Academy

Industry Development Programme - Long Term Evolution (LTE) Technology

Skudai, 11th to 15th June, 2012

We are pleased to share the upcoming 5-day LTE Technology training and invite participations. The programme will be held at the newly commissioned SKMM funded LTE Laboratory at the Wireless Communication Centre of Universiti Teknologi Malaysia in Skudai Johor.

The course is designed by academics and SKMM regulators with extensive knowledge in spectrum management. During the course, participants are introduced to the basic concepts and technical aspects of LTE and different factors that underpin future LTE Network deployments through theoretical and laboratory demonstrations.

For details of the programme please visit our SKMM website at the events section of www.skmm.gov.my and for further details you may contact the address below, send an email to skmm.academy@cmc.gov.my or call any of the following numbers:
