

## **SURUHANJAYA KOMUNIKASI DAN MULTIMEDIA MALAYSIA**

### **NOTICE**

Under Budget 2008, the Government had approved tax incentive for broadband service providers. The incentive is in the form of 100% investment allowance on capital expenditure incurred by the last mile network facilities providers for broadband infrastructure to provide broadband services. This incentive is applicable for investment made and equipment purchased from 8 September 2007 until 31 December 2010.

The application for the certification can be made by completing the form entitled "*Application For Incentive For Last Mile Network Facilities Provider (NFP) For Broadband Under The Income Tax Act 1967 (BAC/Bb/08)*" issued by the Ministry of Finance. SKMM will certify the application according to the Guidelines published by SKMM and the Ministry of Finance.

Please refer to the Guidelines issued by SKMM and the Ministry of Finance for the details on the submission for Certification and Application for the allowance, available from our website at [www.skmm.gov.my](http://www.skmm.gov.my).

Application for certification is received on the last day of each month and should be submitted to Malaysian Communications and Multimedia Commission (MCMC) to the following address:
