Dear Sir,

PUBLIC CONSULTATION ON WIRELESS LOCAL AREA NETWORK (“WLAN”) IN THE 6 GHz FREQUENCY BAND (“PUBLIC CONSULTATION”)

We refer to the Malaysian Communications and Multimedia Commission’s (“MCMC”) Public Consultation paper published on 12th August 2021.

Telekom Malaysia Berhad (“TM”) recognizes MCMC’s efforts for the opportunity given to provide comments on the Public Consultation. We look forward to a favourable outcome of this exercise that prioritises the interest of the nation and efficient spectrum management in allocating the 6 GHz spectrum band for WLAN or Wi-Fi use.

Enclosed herewith is TM’s response to the Public Consultation for your kind consideration. Please take note that this is a joint submission by TM and Webe Digital Sdn. Bhd. (“Webe”).

Please contact Cik Baizi Rani Ajith (baizi.ajith@tm.com.my) should you require further clarifications to our response.

Thank you.

Best regards,
